

Title: **AM-21-1 to R11: For an industrial role for electric cars serving the climate, employment, the environment and social justice.**

Tabled by: Verdes Equo

Draft text

From line 20 to 22:

first, to reduce necessary distances wherever possible and, second, to ensure a shift towards active ~~modes~~mobility and collective and shared means of transportation. This must be achieved through a global approach to mobility, which takes into
