

Title: **AM-66-2 to R11: For an industrial role for electric cars serving the climate, employment, the environment and social justice.**

Tabled by: Bündnis 90/Die Grünen

Draft text

From line 66 to 68:

- ~~considers as an effect that highway charge point equipment on travel corridors that are also served by rail services should not be considered a priority.~~
- calls for other, more sustainable means of transportation to be supported and prioritized whenever and wherever possible.
