

**Title:** **AM-80-2 to R11: For an industrial role for electric cars serving the climate, employment, the environment and social justice.**

**Tabled by:** Bündnis 90/Die Grünen

**Draft text**

**Insert after line 80:**

- encourages the EU and the national governments to implement measures and instruments to strengthen recyclability and more sustainable ways of production. To make cars lighter, smaller and to reverse the trend towards more and more powerful motors, we also demand stricter CO2 emission standards on EU level.
