

**Title:** **AM-64-1 to R11: For an industrial role for electric cars serving the climate, employment, the environment and social justice.**

**Tabled by:** GroenLinks

**Draft text**

**From line 63 to 65:**

- rural areas where public transport and active travel are not an option to cover all mobility needs, as well as for people who depend on the use of a car because of physical disabilities.[Newline]

For long-distance travel, the EGP promotes a train-based transport system;
