

Title: **AM-57-1 to R06: FORTRESS EUROPE? NO, THANKS! BUILDING BRIDGES, BREAKING DOWN WALLS, EXPLORING BORDERS (Alexander Langer)**

Tabled by: Federation of Young European Greens

Draft text

Insert from line 56 to 57:

3. externalisation of borders, as this type of policy has already proved ineffective since the end of the 1990s. [The EU and its Member States must refrain from creating deals like the ones with for example Libya, Turkey, etc. .](#)

Explanation / Comment

The externalization of borders in most cases is a consequence of the deals made with third countries outside of the EU. We believe that it is important to name them in order to prevent this from ever happening again.
